

#shareaheart for Safer Internet Day 2016

On 9th February 2016 we're encouraging everyone to play their part and **#shareaheart** for Safer Internet Day!

We are using the heart, a universal sign for love, to promote respect and kindness online this Safer Internet Day.

To help us spread the love, we want schools, organisations and individuals to take to social media and share their own heart filled messages, images or videos using the hashtag #shareaheart.

How to get involved

Whether it's a positive message in our specially designed heart signs, a post filled with heart emojis, or something more creative, there are lots of ways you can get involved in the #shareaheart campaign.

- **Fill our heart with your own message and share it on social media:**

We've created our own heart sign which can be filled with tips and advice for creating a better internet or with positive comments, as demonstrated by CBBC Friday Download presenter Harvey below. Share your heart on Safer Internet Day!

You can find a full list of ideas and the sign to download at: <http://www.saferinternet.org.uk/safer-internet-day/2016/play-your-part/share-a-heart>

- **Get creative and make your own heart image, video or message:**

Now is the time to get creative and start making your heart messages, images and videos for Safer Internet Day!

We will be sharing lots of ideas over the coming months, so keep an eye on <http://www.saferinternet.org.uk/safer-internet-day/2016/play-your-part/share-a-heart> for inspiration.

When to get involved

#shareaheart will take place on **Safer Internet Day - 9th February 2016**. Throughout the day we will be encouraging everyone to share their heart messages, images and videos on social media using the hashtag #shareaheart.

We will be sharing our favourites on our social networking sites:

- Twitter: [UK SIC](#)
- Facebook: [UK Safer Internet Centre](#)
- Instagram: [uk_sic](#)

For more information about how to get involved visit: <http://www.saferinternet.org.uk/safer-internet-day/2016/play-your-part/share-a-heart>

Let's spread the love this Safer Internet Day!
